Finger Trail Christmas

The Little Fir Tree Story

Baby, see the trees outside, growing up so tall...

Little robin, oh so red!
Bob your tail and
nod your head!

Tick tock,
cuckoo
clock!

Deck the halls
with boughs of holly!

Squeak
squeak!

Let's make this little Christmas tree the prettiest of them all!

The Snow Queen Story

Baby, watch the snowflakes drifting in the sky...

See the Snow Queen's palace on the hilltop way up high!

Jingle bells, jingle bells,
Jingle all the way!

A jolly snowman, round and fat,
Cosy in his scarf and hat!

Who is playing
hide and seek?
