Who's that jingling in the jungle
When Bear's on his way to bed?
The tiger's busy cycling,
Will you have a look instead?

jingly jingly!

HISS!

jingly jingly!

ROAR!

TO THE NORTH POLE

jingly.

jingly!

Who's that jingling in the jungle
When Bear's on his way to bed?
The tiger's busy cycling,
Will you have a look instead?

jingly, jingly!

jingly, jingly!

HISS!

ROAR!

TO THE NORTH POLE

squeaky,
squeaky!

Here's a lizard in a blizzard
And it's fun to play outside.
But bedtime's creeping closer.
So who will Bear ask for a ride?

The fox in the box?

Um, no, he's asleep

Beep, beep!

Here's a lizard in a blizzard
And it's fun to play outside.
But bedtime's creeping closer,
So who will Bear ask for a ride?

The fox in the box?

The skunk in the bunk?

Um, no, he's asleep.

The sheep in the jeep?
YES!
