BLOOMSBURY
LONDON OXFORD NEW YORK NEW DELHI SYDNEY

A MAHOOSIVE mammoth

one morning awoke

and groaned to his friend,

“My word, it’s no joke!

I need to find something
to eat – and real *quick*.

I’m feeling quite weak

and terribly
sick . . .

I’m SO FAMISHING
I’m vanishing!”

“Don’t worry,” said Bug.
“We’ll find you some food.”

Come, follow me – we’ll soon change your mood.”

So a **MAHOOSIVE**
breakfast was gulped
down in one.

But . . .

“Dear Mammoth,” sighed Bug.
“You **STILL** look so glum.”

“Perhaps,” he said.
“You’re in need of a snack.”

And he pulled a banana
out from his knapsack.
