“Lila,  
have you put your  
shoes on yet?”

“Lila?”

“Lila, what *are* you doing?”

Nothing...

*I'll fight this fearsome beastie  
and soon he will regret  
not giving up much sooner to  
become my faithful pet . . .*

“Lila, have you got  
your coat on?”

Grandpa will  
be waiting!”

Nothing...

“What’s going on  
over there?”
