Strange Smuggling

In 2002, a man traveling from Thailand to Los Angeles hid four birds and 50 rare orchids in his suitcase—and a pair of baby pygmy monkeys inside his underwear.

In 2009, a 42-year-old woman tried to bring 75 live snakes in her bra—and six lizards in her shorts—onto an airplane in Stockholm, Sweden.

In 2008, a woman crossing the border between the US and Mexico tried to hide chorizo sausages inside her babies' diapers.

In 2010, a woman from Thailand tried to smuggle a sleeping baby tiger onto an airplane by hiding it in a suitcase with stuffed toys.
