## Moon landing

landing module

flag

shooting star

Maisy has landed  
on the moon.  
It's so amazing!

She feels light and floaty  
in her space suit and  
bounces up and down.

# Rocket launch

rocket

sun

space suit

The next morning,  
Maisy is on her way to  
the moon in a rocket.  
She is an astronaut!

Three, two, one...
