10th
ANNIVERSARY of WOLVES

Hello!

It's been 10 years since WOLVES was first published back in 2005.

To celebrate I have made this special anniversary edition complete with its very own cut-out-and-keep book.

All you have to do is cut along the dashed lines, and fold along the dotted ones. Put the two pieces together and you will have your own copy of Wolf's favourite book.

You could even ask an adult to help sew the pieces together to make a properly bound book!

Enjoy yourself

A Wolf's Tail

10 Little Rabbits

WOLVES

Ten little rabbits hopped out to dine;
One got caught in a net and then there were nine.

Two little rabbits left. Now we're nearly done;
One became a rabbit pie and then there was . . .

One little rabbit all by himself;
Went to the library and chose a book from the shelf . . .
