A pair of new socks came to live in a drawer.  
“It’s perfect,” said Suki. “We couldn’t want more.”  
“Exactly,” said Sosh to his warm, woolly wife.  
“A match made in heaven! Now, this is the life.”

The two went to work on  
a fresh pair of feet.  
They fitted just perfectly.  
“Isn’t this neat?”

They ran to the  
roundabout,

*whizzed* down the slide.

They stopped for an ice cream  
and went for a ride.
