DANNY DINGLE'S SUPER-SECRET SPY NOTEBOOK.

DO NOT READ (unless you are Danny, Percy or Superdog.)

This book is guarded by **EVIL EDGAR**: an invisible hedgehog with military training.

Continue at your own risk!

You have been **WARNED**. . .

6: hedgehog needs to be in military uniform with a beret

So, Evil Edgar may not have been the best bodyguard.

But you would have been in trouble if you were a **SLUG!** Or a tin of **CAT FOOD!**

Anyway. . .

Let me get you up to speed.

This is me, the **WORLD FAMOUS** (almost) **GENIUS** inventor, Danny Dingle.

And this is **Superdog**, my psychic 'pet' toad.

I should probably warn you now that, although he may look like a toad, Superdog is a **GENIUS** in disguise. Honestly, he's so **SUPER-INTELLIGENT** and **CRAFTY** that Mum won't let him in the house anymore.

We live in a house, or **MADHOUSE**, as I like to call it, in Greenville.

I also go to school in Greenville. But I'm not going to talk about school seeing as it's the **SUMMER HOLIDAYS** and I get to spend my days doing super-**COOL GENIUS** things like:

- Reading lots of Metal Face comics

World's Best Superhero EVER!

- Trying to do the world's **BIGGEST** and most **iMPRESSiVE** fart

- Go out searching for fantastic finds so I can make my **GENIUS** inventions

COOL STUFF

- Hang out with my best friend and slightly 'dopey' assistant, Percy McDuff

- Hide out in my **SECRET** laboratory (which is cleverly disguised as a normal clubhouse) and create **AMAZING INVENTIONS** with Superdog and Percy
