You can't let an **elephant** drive a **digger** . . .

Diggers are **big** – but elephants **bigger**.
If you want to shift mud and dig big holes,
best NOT let an elephant near the controls.

Don't let a **polar bear** cut your hair . . .

Unless, that is, you want people to stare.
She'll paw you and claw you and grab your hair tight.
Then snippety-snip – oh dear, what a fright!

Never be **woken** by a slithery **snake** . . .

YAWN

He won't just give you a gentle shake.

He'll coil all around you and that's not funny -

you could even end up as a **BUMP** in his tummy.
