Audrey was the most inquisitive girl you could hope to meet.

She never stopped asking questions and searching for answers.

And she loved to fiddle and find out how everything worked.

So the day Audrey's teacher asked  
the class, "What do you want to  
be when you grow up?"  
Audrey beamed...

**"I WANT TO BE AN  
INVENTOR!!"**

And she would start straight away!  
But what to invent?

Fun things to cheer up Happy Cat?  
Useful things for Daddy?

Audrey began to invent at a rapid rate.
