

Today Luna is going on a school trip to the art gallery.
Van Gogh - check. Rousseau - check. Picasso - check.
Luna loves art, but it seems that the new boy,
Finn, doesn't want to be there at all...

Today the class is going to The Art Gallery.

The whole class is excited.
The gallery is the biggest building
Luna has ever seen.

But Finn doesn't care. Finn is looking down.

They start off in a huge room
full of amazing massive things,
full of colour,
full of shapes.

"Look at all the art!" says Luna.
Finn is looking up.

Miss Rosa takes the class to
The Impressionist and
Post-Impressionist Rooms.

Vincent Van Gogh's 'Sunflowers' has paint so thick
that the flowers look alive.

Finn goes to touch it.
"Stop!" says Luna. "You're not
allowed to touch the paintings!"
