

COMPOST CHAMPIONS

These compost bins are full of healthy compost, but which compost is the best?

Add up the points to find out. The bin with the highest score has the best compost.

- 
 Grass clippings
= 1 point
- 
 Apple core
= 2 points
- 
 Egg shell
= 3 points
- 
 Banana skin = 4 points
- 
 Shredded newspaper
= 5 points
- 
 Potato peel
= 6 points
- 
 Dead leaves
= 7 points

GROW GREEN

Growing even a small amount of fruit and veg yourself can help the planet.

Can you find the following groups of home-grown vegetables in this busy veg patch?

A

B

C

Carrot	Lettuce	Pumpkin	Cauliflower	Cucumber	Radish	Lettuce	Eggplant	Carrot	Carrot	Carrot
Radish	Carrot	Lettuce	Carrot	Carrot	Pumpkin	Cauliflower	Radish	Eggplant	Onion	Lettuce
Cauliflower	Carrot	Eggplant	Onion	Radish	Lettuce	Carrot	Carrot	Pumpkin	Cauliflower	Radish
Lettuce	Eggplant	Pumpkin	Carrot	Cauliflower	Carrot	Onion	Cauliflower	Lettuce	Eggplant	Carrot
Pumpkin	Radish	Carrot	Onion	Eggplant	Radish	Carrot	Pumpkin	Carrot	Radish	Cauliflower
Carrot	Carrot	Lettuce	Carrot	Pumpkin	Carrot	Onion	Radish	Eggplant	Carrot	Onion
Lettuce	Pumpkin	Radish	Cauliflower	Radish	Cauliflower	Lettuce	Carrot	Cauliflower	Carrot	Lettuce
Carrot	Eggplant	Onion	Carrot	Pumpkin	Carrot	Carrot	Eggplant	Carrot	Eggplant	Pumpkin
Onion	Lettuce	Cauliflower	Eggplant	Onion	Carrot	Pumpkin	Radish	Carrot	Lettuce	Carrot
Carrot	Radish	Carrot	Onion	Radish	Carrot	Carrot	Eggplant	Pumpkin	Carrot	Carrot
Eggplant	Cauliflower	Carrot	Pumpkin	Lettuce	Eggplant	Radish	Lettuce	Cauliflower	Onion	Radish

Top Tip

Even if you don't have a garden, you can still grow fruit and veg. Try planting lettuces or tomatoes in window boxes, or use an old egg box to grow a mini herb garden.

ECO HOME

Ezra and Laila's family have a weekly rota for household jobs. Read each person's to-do list below and work out who does which job on each day of the week.

Fill in each name on the chart on the opposite page. One name has been filled in to help you.

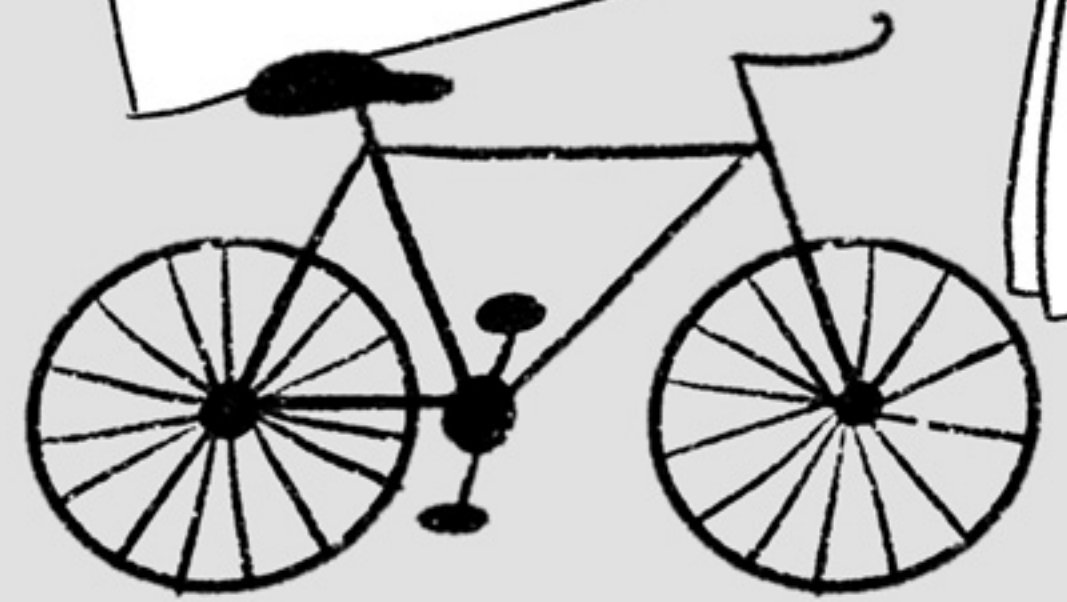

Mum's to-do list:
 Cook a meat-free meal three days after Dad and Laila cook theirs.
 Do a food shop the day before Ezra washes his bike.

Dad's to-do list:
 Cook a meat-free meal on the first day of the week.
 Do a clothes wash four days after Laila waters the plants.

Ezra's to-do list:
 Empty the compost on the day that Laila sorts the recycling.
 Water the plants on the day that Dad does a clothes wash.
 Help Mum cook a meat-free meal.
 Wash bike at the end of the weekend.

Laila's to-do list:
 Water the plants on the second day of the week.
 Sort the recycling on the next day.
 Help Mum with a food shop.
 Help Dad cook a meat-free meal.

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY	SUNDAY
Water the plants 		Laila					
Sort the recycling 							
Empty the compost 							
Cook a meat-free meal 							
Do a food shop 							
Do a clothes wash 							
Clean the bike 							

WONKY VEG WASTE

Wonky vegetables are veggies that used to be thrown away by shops for being too big, small or ugly. Which of these silhouettes matches this box of wonky veg exactly?

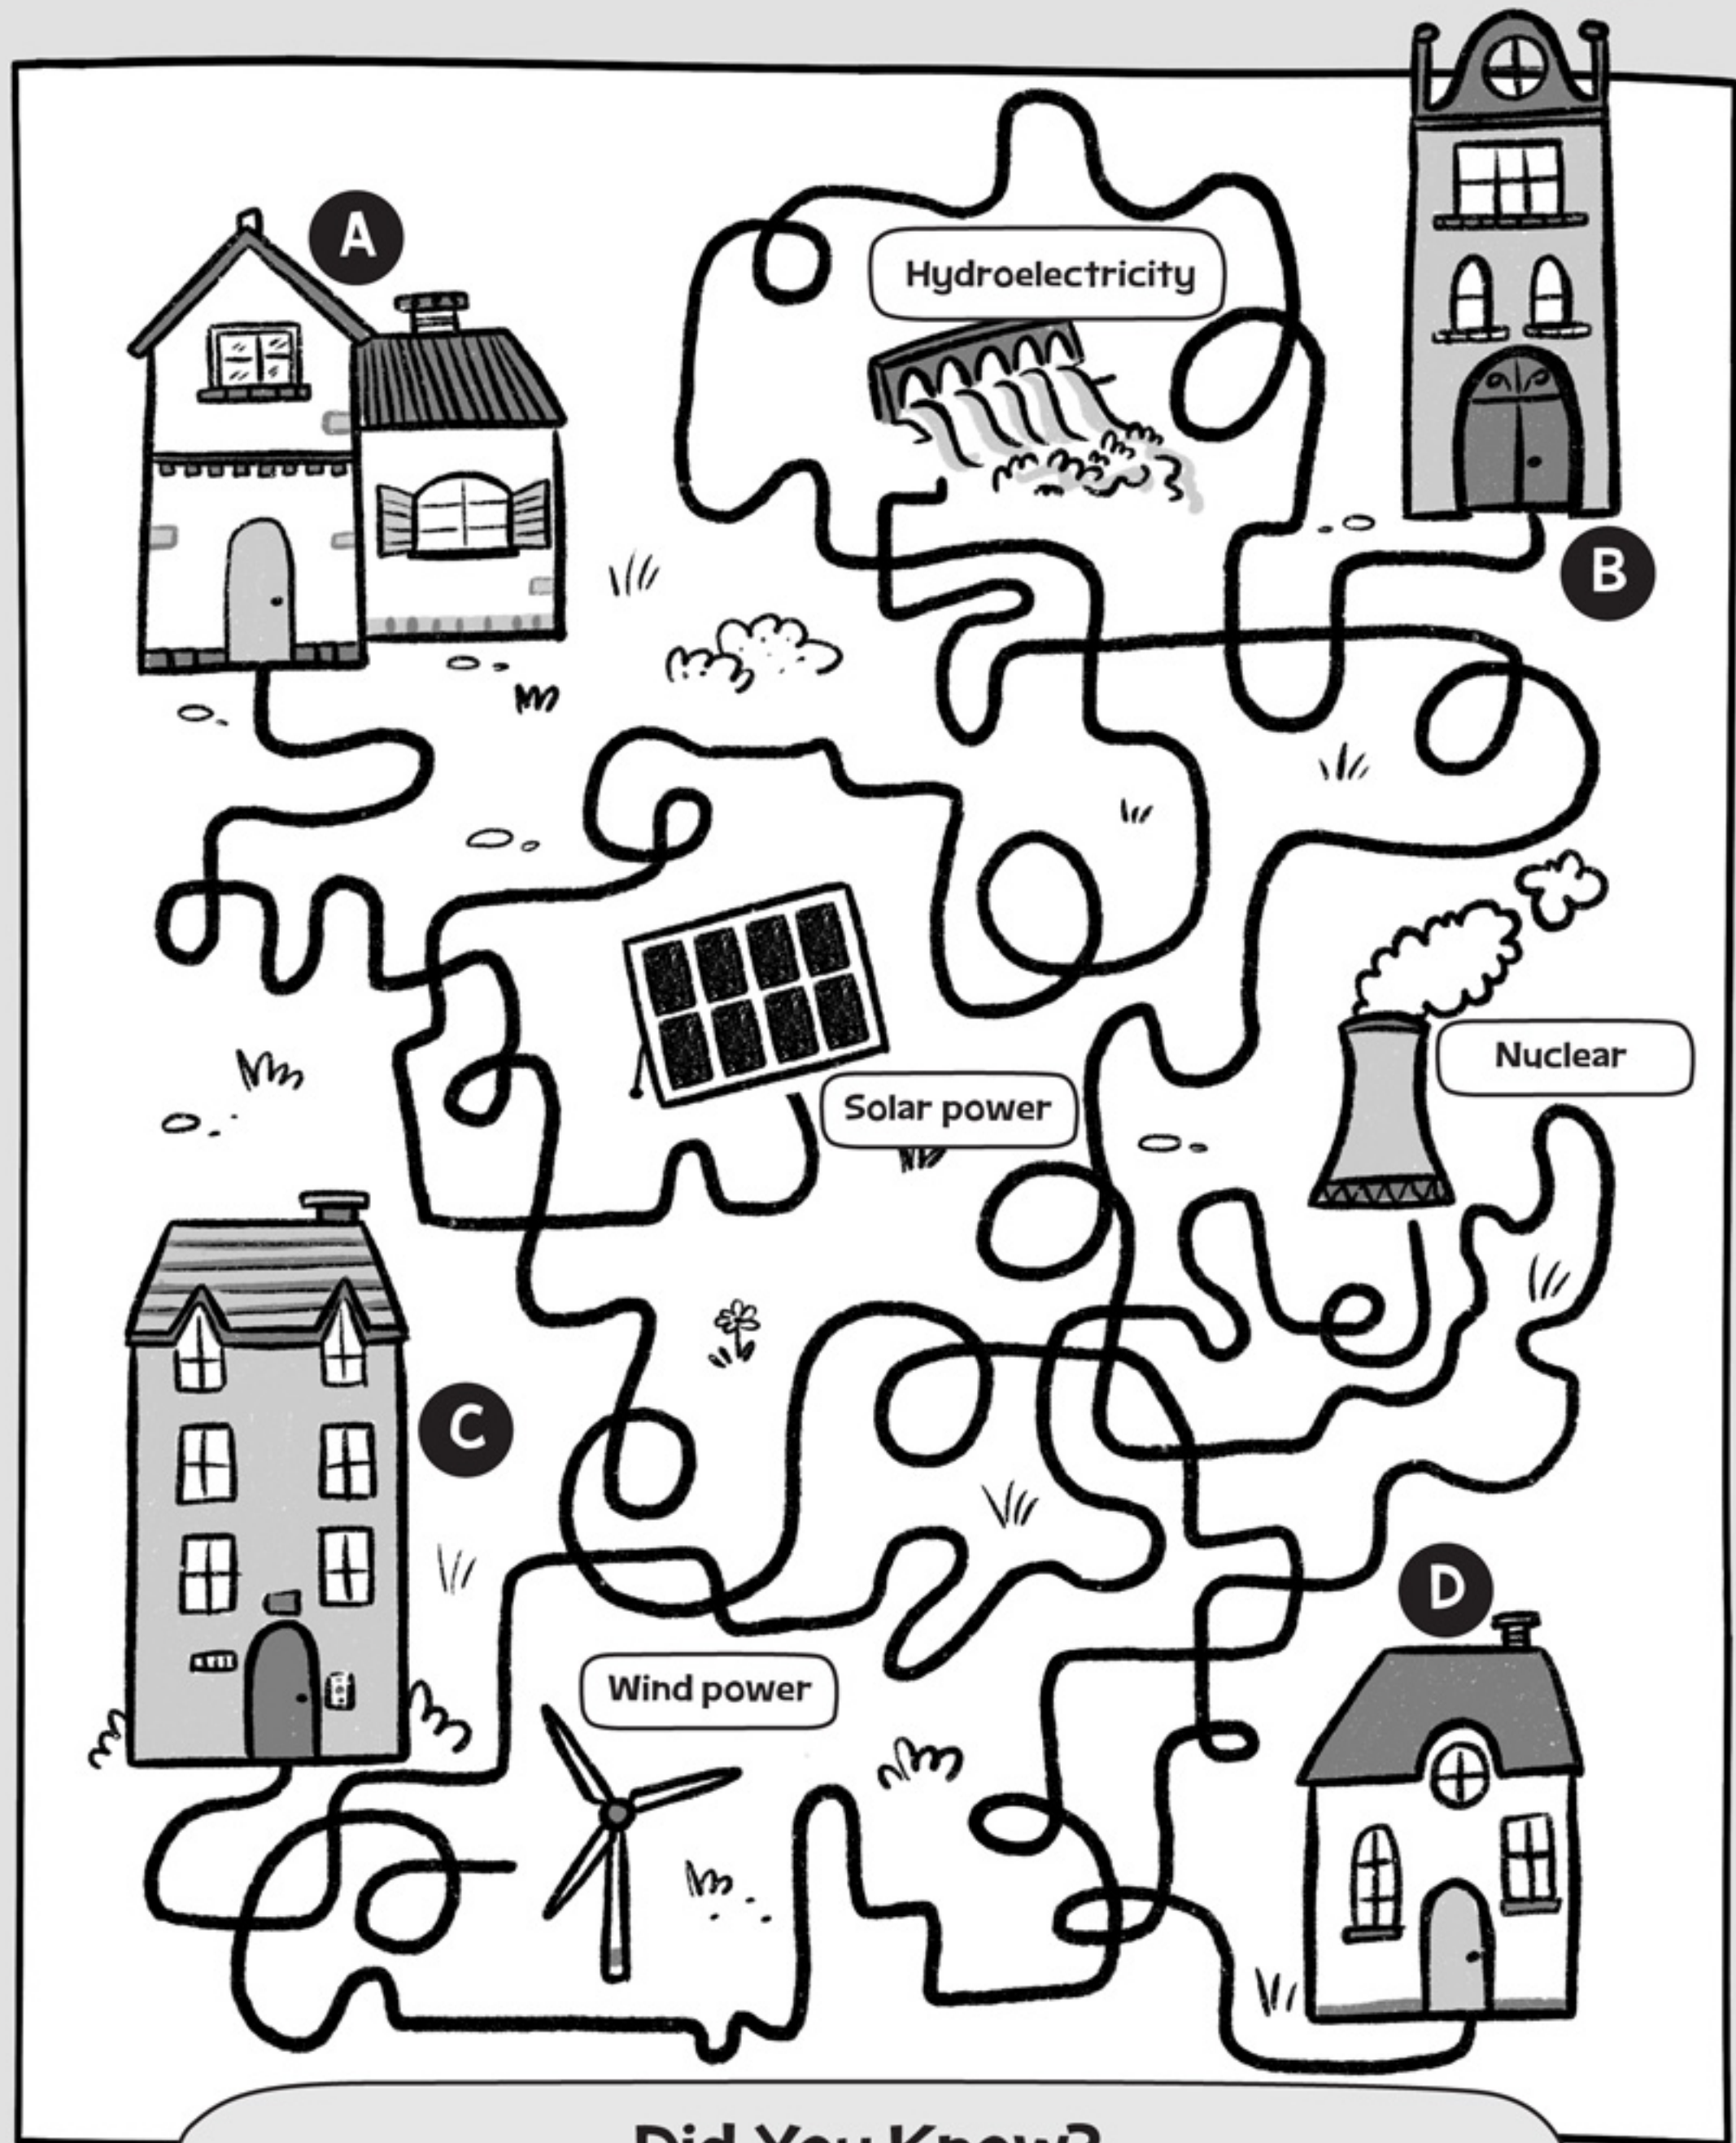

- A
- B
- C

- D
- E

Top Tip
 Wonky fruit and vegetables taste exactly the same as 'perfect' fruit and veg, and many supermarkets are now starting to relax their rules about stocking them. Support these schemes by encouraging your parents to buy 'wonky' groceries the next time they do a shop.

ECO ENERGY

These houses get their electricity from different forms of alternative energy. Follow the electricity wires to find out which house is powered by which form of energy.

Did You Know?
 Around 71% of the world's renewable energy comes from hydroelectric power. China produces the most hydroelectricity and is home to the world's largest hydroelectric dam - the Three Gorges Dam, which spans the Yangtze River.
