You can't take an **elephant** on holiday . . .

He'd spoil your fun and get in the way.
You'd see him shove to the front of the queue,
eat ALL the ice cream, and leave none for you!

A **cheetah** in charge of a **camper van** . . .
is something they really ought to ban.

Speed is a thing she simply adores —
but the rules of the road
she **ALWAYS** ignores.

If an **ostrich** wants some sun and fresh air . . .

don't let him near an old **deckchair**.
He'll put it up badly and make it collapse,
so it's most unlikely he'll get to relax.

She can, in fact, do most things YOU can.
So it won't take her long to get the knack
and you probably won't get your surfboard back.

Don't lend your surfboard to an orangutan . . .
