We almost lost the plant, didn't we Charles?

Yes we did.

Our last gardener forgot to water the plant.

What? Charles?

Yes, thank god I got rid of him.

What was his name again? It was some funny African name.

What do you mean got rid of it?

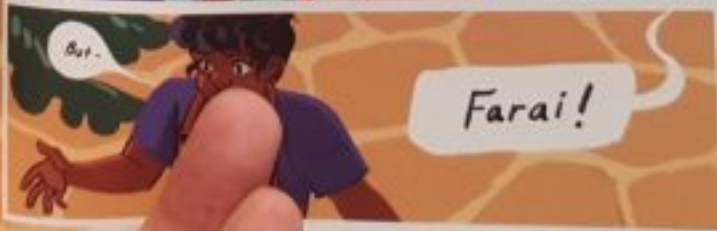

Well... we tried her... oh my god! what kind of gardener forgets to water a plant?

I don't know, he was a strange man, he was trying to explain something but we couldn't really understand him.

Yes, his accent was very strong.

But...

Can we help?

Yes.

You were upset and I didn't listen to you.

All this we shouldn't be the reason for our trip.

I don't want to ruin our trip either.

Yes.
