The illustration features a dark silhouette of a tree with small flowers or buds on its branches, set against a white background filled with numerous small, multi-pointed starburst shapes. At the bottom, there is a thick, dark silhouette of grass. The overall style is minimalist and evocative of a night sky.

## MEET AT THE HORIZON

For Will and Daisy,  
the brightest stars in my sky

hey, let's get lost together  
explore the cost together  
shake shadows off together  
c'mon, c'mon let's go

hey, let's chase stars together  
be proud of scars together  
build who we are together  
c'mon, c'mon let's go

hey, let's waste time together  
ignite our minds together  
horizon lines forever  
c'mon, c'mon let's go

## ALL THE COLOURS OF THE RIVER

when moonlight sings its freedom  
when darkness holds no fear  
when shadows flow together  
when ragged stars appear  
when wind-imprinted water holds her mirror to the skies  
she carries all the colours of the river in her eyes

here we all are  
without any manual  
the river is running  
brothers and sisters

surrounded by sky  
or reason for why  
we live we die  
surrounded by sky

when ghosts of frost must take their leave  
when sadness slows its spin  
when silver empires crumble  
when time begins to swim  
when all the world lies half awake and mist is her disguise  
she carries all the colours of the river in her eyes

FOR  
DAISY

we lie on garden chairs  
that go all the way back  
to the beginning of time

our moon-cool eyes  
wait  
until the the last blue  
is black

we pretend we're ancient sailors  
preparing for a voyage to distant  
lands  
in our tiny boat

holding hands  
we slide silent down the  
star-burnt slipway

and out

across the universe
