HOW TO SHRINK  
THE DOUBT MONSTERS

# Hello, Earthling!

My name is Novolino, but you can call me Novo—that's what my friends call me. I'm a space robot from the planet Infinita. Yes, it's true—we space-bots do exist!

See? That's me!

Though we live light-years away from Earth, we aren't that different from you earthlings.

We like robo-races, playing fetch with our zogs, and making lightly buttered veggie batteries to eat.

Sounds like fun, huh? And it is! But we haven't always lived wonderful, worry-free lives.

One day, everything changed when unexpected visitors arrived.

They were the **DOUBT MONSTERS**  
from the planet **WORRIA!**

... and **ZAP-ZAP-ZAPPED**  
their rays of doubt at us space-bots.

The creatures drooled an  
**OOEY-GOOEY**  
green slime all over the ground ...

UH-OH!  
UH-OH!

BEEP-BEEP!

BEEP-BEEP!
