MATHS WORDS FOR LITTLE PEOPLE

Helen Mortimer & Cristina Trapanese

# Time

OXFORD  
UNIVERSITY PRESS

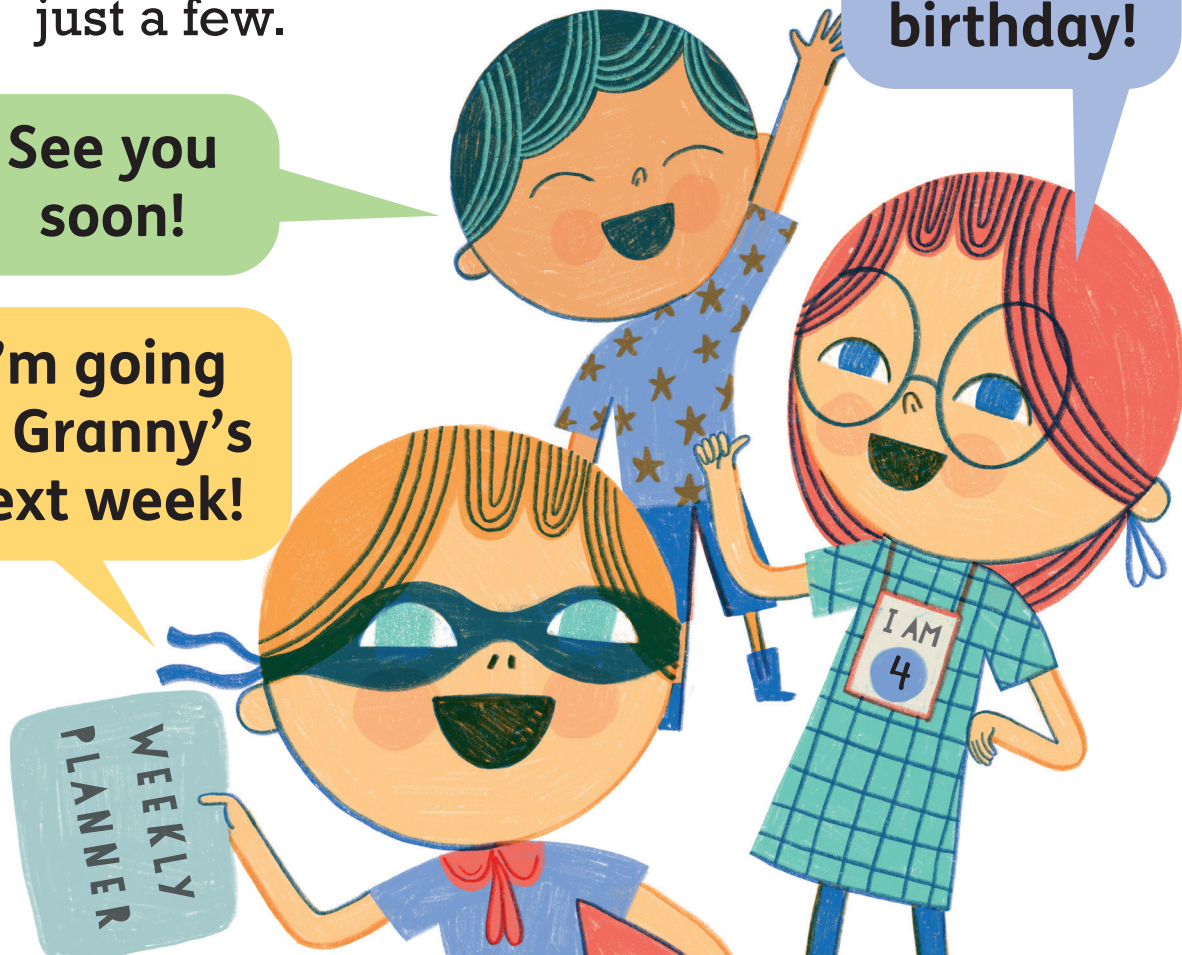

# Talking about time

We use words to do with time  
... all the time! Here are  
just a few.

See you  
soon!

I'm going  
to Granny's  
next week!

Yesterday  
was my  
birthday!

An illustration of two children in a bedroom. In the foreground, a child with dark hair and a green sweater is reading a blue book titled "Good Night". In the background, a child with braided hair and blue polka-dot pajamas is yawning. The room has orange stars hanging from the ceiling and a bed with a red and teal coverlet. A small orange teddy bear is on the bed.

**Time for  
bed!**

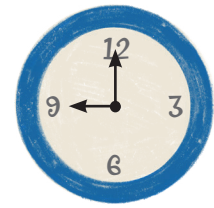

**Once upon  
a time ...**

# One more sleep

There's one more sleep until the puppet show . . . that means it's tomorrow!

Today is the dress rehearsal and the puppeteers are nearly ready.

Sorry I'm late!

**BZZZ!** Better late than never!

# Before and after

Before the rehearsal everyone is excited.

This is our  
final practice!

After the rehearsal everyone is exhausted!

Phew! We  
have finished.
