

Welcome to the wonderful world of fairy shops!

Anything you want can be yours by wishing, so let me take you to Silverbell Street on a shopping spree.

Just remember – if you don't believe in fairies, you won't see anything at all!

A treat to start with!

The sweetshop sells lollipops that sing to you, goblin gobstoppers, and witches' toffee that turn your ears from red to blue.

Over there are the **butcher**, the **baker** and the **candlestick maker**.

Here's the hat shop. A hat can change your life, make you a queen for a day. Or a king for tomorrow.

This is the pet shop where pets choose their owners.

This shop here has embroidered waistcoats stitched by mice.

There's a shop with made-to-measure suits for wolves, hunting jackets for foxes, and dressing-gowns for dragons.

Oh good, it's time for elevenes.

Mr Wolf has his breakfast here every day. Don't be put off by the bats' brew – they do some very tasty buns as well.

Now, let's see who's in here that we might know.
