

# WAITING FOR THE DAWN

A Tale of Forest Fires and Renewal

Fabiola Anchorena

This book is dedicated  
to all people who love animals  
and protect their habitats.

# WAITING FOR THE DAWN

A Tale of Forest Fires and Renewal

By Fabiola Anchorena

 tra.publishing

We haven't seen the dawn for a long time.

Nor have we seen the moon among the stars

or felt the rain falling.

It's as if the sun

has gone far away.

Is it tired of showing up every morning?

There are rumors

that the sun is hiding

deep in the forest.
