Tomorrow would be the start of a new year at the School of Nine Wishes. The fairy friends knew that the best part about going back to school was starting the term with brand-new goodies!

Holly had chosen pretty hairclips to match her brand-new dress.

Winnie had chosen an extra-large school bag.

And Felicity had picked out a special pair of extra-sparkly school shoes.

As Miss Sweepung
tried to call the register the first
morning at school, her voice could hardly
be heard above the excited fairies' chatter.

Fairies everywhere
had fresh summer
sunshine tans,
brand-new crowns,

and bags that brimmed
with holiday souvenirs.

Felicity and her friends
had gone up in school a
year. They would no longer
be junior, novice fairies.

"I'm so happy to be back!"
said Felicity, hugging all
her friends at once.
