

CARD FOR

MY MUM

*Bashabi Fraser*

*Maanvi Kapur*

Cards with mums in dungarees, in ice cream shops and patisseries.

None of them look like my mum.

Mum with long dark hair and flashing brown eyes selling pakoras at the mela.

Mum laughing  
and dancing the bhangra,  
flicking fingers, tapping feet,  
swaying to the dholki's beat.
