Goat woke up one night and it was dark, and there was a **NOISE DOWNSTAIRS!** 'Oooh!' said Goat, feeling trembly all over. 'I do not like noises downstairs in the night. It might be burglars!'

I wish Donkey was here, thought Goat. But if I call out, the **BURGLARS** might hear, and come, and **FIND** me! Oh dear, oh dear, oh dear! Whatever shall I do?

Goat wished very hard that Donkey was there to make him feel safe.
