Wheee! Whizzing in their spaceships,  
They stretched out the pants in place,  
And as the meteor landed - PING!  
It zoomed back into space!

Aliens love underpants.  
It's lucky that they do,  
For pants helped save our universe.  
Sounds crazy, but it's true!

When aliens fly down to Earth,  
They don't come to meet YOU...  
They simply want your underpants –  
I'll bet you never knew!
