Puss-in-Boots

by Gianfrancesco Straparola/Charles Perrault

Ho! Ho! Ho! Impossible eh? Frightened you, didn't I, Kitty?

That you did, sir. But I am sure you would never harm a poor creature like me.

Don't be too sure. I am just not hungry right now.

Then I am lucky, indeed. There is just one more thing your excellency. I have heard that you can also become a wee, small animal like a mouse or a rat. But this, I am sure, would be too difficult for you.

What do you mean too difficult? There is nothing I cannot do! Watch!
