Here is a list of...
What Penguins Like To Do The Most.

1. Swim

2. Eat fish
(Fast - before the seagulls
pinch them)

3. Play penguin games

4. Sleep standing up

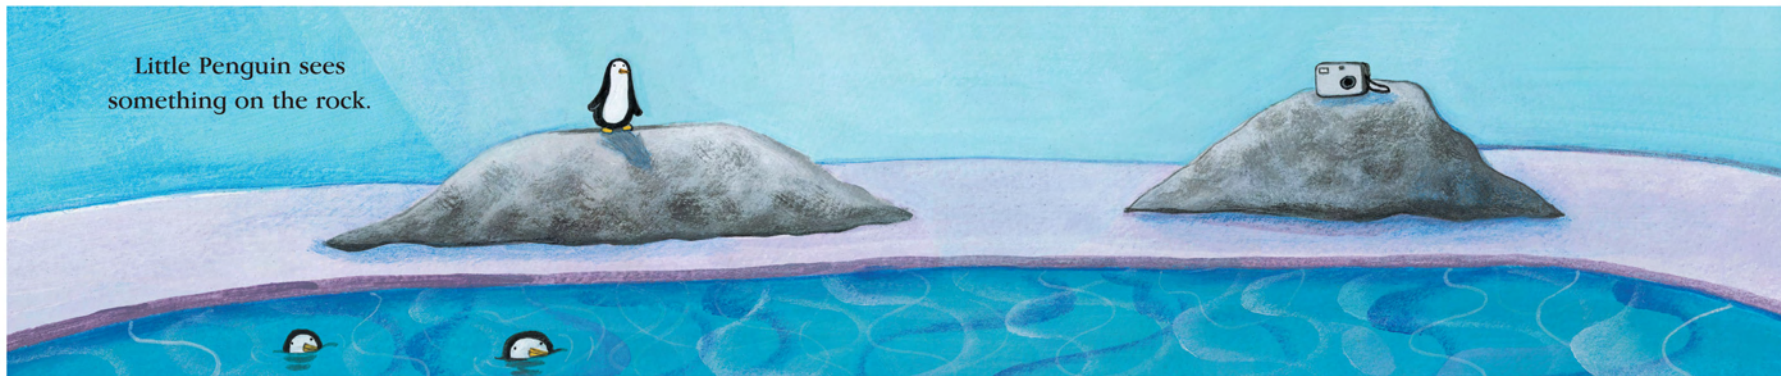

5. Look at the people outside

6. Look at the people
through the glass

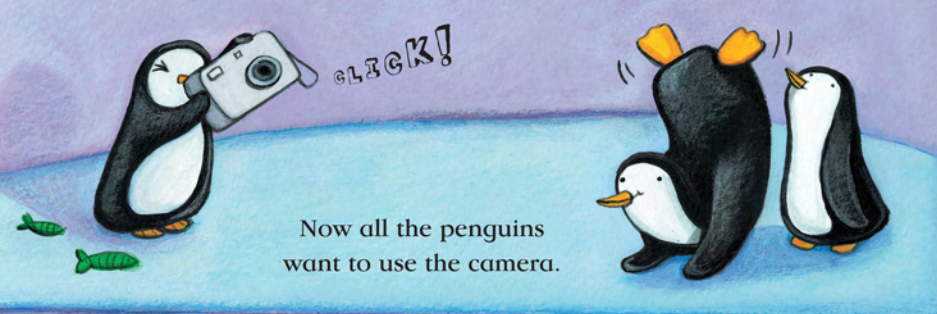

Little Penguin sees something on the rock.

“DON’T TOUCH IT!”
says Big Penguin. “It belongs
to a person and they’ll come
back to find it.”

But nobody comes back.
So the penguins move closer for a better look.

Now all the penguins want to use the camera.

They take lots and lots of fabulous pictures.

But suddenly...

... the camera stops working!

"Oh dear," says Big Penguin, "we'd better put it back."
