He started to look for some food.

On Monday  
he ate through  
one apple.  
But he was still  
hungry.

On Saturday  
he ate through  
one piece of  
chocolate cake, one ice-cream cone, one pickle, one slice of Swiss cheese, one slice of salami,

one lollipop, one piece of cherry pie, one sausage, one cupcake, and one slice of watermelon.

That night he had a stomachache!

he was a beautiful butterfly!
