When you have chosen your Perfect Job,
you need to Get Employed.

First, you must write down EVERY SINGLE THING
you're good at on ONE PIECE OF PAPER
that's called your CV.

(Sometimes it's SO HARD
to fit everything on only
one page, you just have to
use FIVE.)

And then you have to keep showing it
to everyone.

“Look, Everyone!” you say.

“See how ABSOLUTELY marvellous I am?”

You must always bring your CV when you are trying to get
the job.

Now you have a “Job Interview.”
Which is when The Boss asks you TONS of questions
to find stuff out.
Like, are you a Criminal, for example.
