Meet Geoffrey, the young giraffe.

He's very, very **tall**

with a very, very **long** neck...

and sometimes he's very, very **clumsy**.

Meet some more
of Geoffrey.

His legs are *wibbly-wobbly*...

and his knees are *bendy-buckly*...

so he often tangles, *trips*,
skips and
flips...

Oh dear, Geoffrey!

Geoffrey bends down as low as he can go
to say hello to the meerkats.

But he slips and slides – and they all disappear in a flash!

Geoffrey won't give up.
He tries to say hello
to the elephants.

But he stumbles,
bumbles
and bumps!

Soon trunks are tangled and tails are tugged...

Oh dear, Geoffrey!
