Tabitha Posy was ever so **nosy**.
She made all her neighbours shout.
She'd peer round each door, ask, "WHY?" and "WHAT FOR?"
then **pester** until she found out.

“Please, leave us alone,” they were all heard to moan, but she grew even worse than before. So they cried, “Get inside, draw the curtains and hide. It’s young Tabitha. Quick, lock your door!”

One day at her school, the new teacher, Miss Pool, told the class, "We've got something to do. It's a bright sunny day, so we'll all make our way to see Hamilton Shady's new ZOO."

RED RAT SNAKE

They first saw a snake. It was called Wiggly Jake and it slithered about with great ease. All Tabitha said as it curled round her head was, "Do you know if snakes ever sneeze?"
