This daddy says . . .

We're going to the park later.

This daddy says . . .

I'm a fish and you're a hungry alligator!

This daddy says . . .

I didn't know

This daddy says . . .

It won't take long.

This daddy says . . .

Is it time to go,
what do we think?

This daddy says . . .

Who would like
a biscuit and a drink?
